

Stage Presentations

On the **Expo Stage**, shine a spotlight on your products and techniques to a large audience of sewing and quilting enthusiasts.

- Presentations are 30 minutes on the Expo Stage inside the Exhibit Hall.
- Presentations are FREE to Expo attendees.
- Your presentation is promoted online, in the Expo Program and on signs in the Exhibit Hall.
- A microphone, flip chart, markers and table will be on stage for you.
- You can present on both the Expo Stage and in The Spot at the Expo.

Please fill out the application, indicate the cities in which you wish to present, write about your presentation and submit it by the deadline indicated.

Your presentation will only be scheduled after a completed form is submitted.

Brief Description Of Presentation:

You MUST complete this form for each city in which you wish to have a presentation.

The Spot Presentations

Share your products and techniques in a smaller, more interactive setting in **The Spot**. It is a great venue to present software and product demos, show new techniques and promote your products to an up-close audience.

- Presentations are 30 minutes in The Spot.
- Presentations are FREE to Expo attendees.
- Your presentation is promoted online, in the Expo Program and on signs in the Exhibit Hall.
- A microphone, large video monitor and RGB Cable is provided. If your computer needs a different connection, dongle or additional cords to connect to the monitor, please bring those with you.
- You can present on both the Expo Stage and in The Spot at the Expo.

Please fill out the application, indicate the cities in which you wish to present, write about your presentation and submit it by the deadline indicated.

Your presentation will only be scheduled after a completed form is submitted.

Deadlines for The Spot Presentation Requests:
