

Create You Own Landscape with Cindy Losekamp

Supply List

- Floral Color embroidery threads (such as purple, yellow, pink, blue...if you have variegated colors, those work great for flowers).
- 3-4 green threads (medium warm green and one darker green like an evergreen color)
- One medium gray thread for the house and pathway,
- Medium brown for tree trunk.
- One aqua thread for the water or a silver holoshimmer™ thread by Sulky.
- Bobbins wound with embroidery bobbin thread
- Spool of regular thread that matches your backing fabric with a bobbin wound about half full of the same thread.
- A good pair of trimming scissors,
- a pair of snips for cutting threads.
- open toe foot and a free motion foot (an open toe free motion foot is very helpful but not mandatory)
- Angelina pressing sheet at least 18x20 in size (If you don't have one, you can order it at our website...www.sewingart.com)
- At least an 18x24 rotary cutting surface
- rotary cutter
- 24 in quilting ruler

Advanced Prep

Please order the required kit directly from Cindy for \$32.00 plus shipping. Email Cindy at closekamp@aol.com or you can text or call 513-309-8108. Order at least one week before the class to allow plenty of time for shipping. You need the kit because the designs, patterns, stabilizers, to complete the project are included with the kit. The day of the class, please have your machine set up for embroidery.

Please have your machine set up for embroidery. We will be embroidering first and then switching over to some free motion...don't be scared! Cindy will hold your virtual hand. :o) You will need an iron handy set to wool setting with the steam setting set to no steam. Having a pressing mat handy will be very helpful.
