THE JANOME MEMORY CRAFT 9410 & 9480

don't just stitch... they *thrive*.

Fabric *refusing* to fit under your machine? Not anymore! With 11" **throat spaces**, these machines handle big, bold projects like pros. In a toxic relationship with puckering, ruffling, or uneven feeding? Break up forever and glow up with the **AcuFeed dual-feed system!** It'll keep fabric and quilts smooth and aligned. Silk, denim, quilt cotton, canvas... bring it on. These machines are **buttery-smooth, powerful, and drama-free.** Instruction manuals? Ain't nobody got time for that! Their **intuitive design** and **luxuries** like a thread cutter, auto pivot, automatic needle threader, and bright lighting make sewing fast, fun, and effortless. And, free-motion quilters, the **Accurate Stitch Regulator (ASR)** on the MC9480 turns tense stitches into pure joy.

Once you sew on a Janome MC9410 or MC9480, ordinary isn't an option anymore.

WHICH ONE'S YOURS?
