

# Pumpkin Scraps Mini

© by Jill McCloy Designs

A while back I made some pumpkin ATCs and thought that some day they would make cute mini quilts and here they are. The patches are pretty easy to make and there is just a tiny bit of free motion quilting on the leaves. You'll discover two different ways to make the "vine" which is applied with a simple bar tack by machine. Quick, easy and fun little blocks with some nice to learn techniques to add interest. The Twelve patch is 11 ½" X 12 ½" and the Three patch is 5 ½" X 10".

## Materials

Mixed scraps of oranges and golds (15--5" squares = 15 pumpkins)  
Mixed scraps greens (5--5" squares = stems & leaves for 15 and the green bars on the 12 patch))  
Orange thread  
mixed scraps tone on tone whites, beiges and ecrus (2 ½ X 3 ½" for wide pumpkins & 3" X 3" for tall pumpkins)  
6" #5 perle coton or serger chain for each pumpkin
