Rotary Mat 24"x17" is a good size to bring to class. If you have the 360° Olfa rotating mat, this is the best kind for this project (if you do not have one, you may want to get one, the 12" x 12" is big enough)

Ironing station

Pre-Class Preparation

Please have the 8 squares of fabric ready, cut and pressed.

Have all your cutting tools, scotch tape, ironing station, designers wall and sewing machine threaded and make sure the ¼" presser foot is on it set up before class begins.
